

The logo for Krube, featuring the word "krube" in a bold, lowercase, sans-serif font. The letter "k" is black with a small orange dot above it. The letter "e" is black with a small blue dot above it. The logo is enclosed in a white circle with a blue border.

krube

SPECIFICATION

**MODEL
K-DC20-A24-50**

Product Parameters

Rated voltage: DC26V±0.2V the measured value at the connector end

Maximum speed: 5000RPM

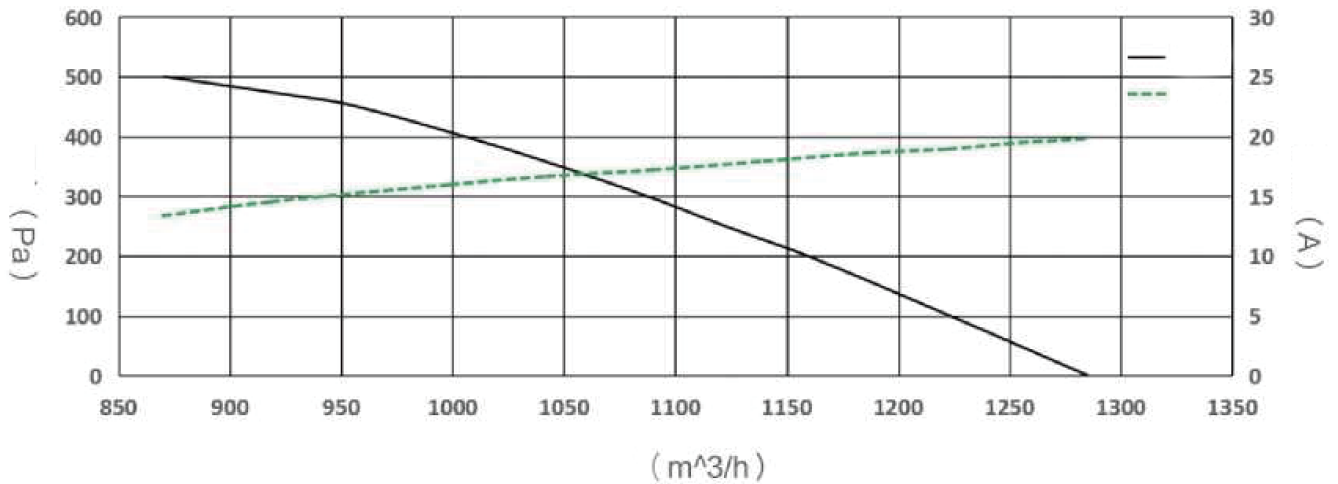

Use voltage range: DC16V-DC32V

Motor working life ≥ 40000h

Rated power: 400W

Operating environment: -40°C~120°C

Performance Curves
